

PRE-GAME

- **Pre-Game**
 1. Hour plus on field
 2. Identify issues- uniform, adornments etc
 3. **45-45**

- **Kick Offs**
 1. Good communication
 2. Know your keys and follow thru
 3. Be surprised on a deep kick
 4. Watch for throw back
 5. Watch for trickery

- **Measurements:** know your role

- **Scrimmage Downs**
 1. Pre-snap Keys- for everyone
 2. R/U- we must **KNOW** we have 11
 3. Good spacing- H.L.F.S stay wide
No one works on field but R/U- this will also help keep coached and players back
 4. H-Good Chain work off the field
 5. H/L- good signals – I want to **KNOW** they have 7 on LOS
 6. H/L- if we have a foul at the snap, let's get it down on both sides (if you have encroachment let get it down as well)
 7. S/F – Keep your cushion- make good signals – We must **KNOW** we have 11
 8. H/L- give help to end of the line with illegal blocks
 9. H/L/S/F- give help to wide out cracks or BBW
 10. After play- everyone officiate your area

- **Scrimmage Kicks**

1. Good communication between deep guys
2. H, L, U don't watch ball in flight. You have duties and people to watch
3. Be prepared for any signal-
4. Watch for block in back and low blocks

- **Goal Line**

1. Good communications
2. Good signals
3. H/L you have goal line...go there and work back ...do not follow the ball carrier...beat him there first
4. If ball become dead beyond the 7 yd line our F/S will shift back to keep goal line
5. Know the number of snapper and eligible receivers..radio

POINTS OF EMPHASIS

1. Everyone does not need to blow the whistle....just like echoing a flag
2. Keep officiating after a penalty....other things can and will happen
3. R/F/S – we have to cover sideline and bench area- H/L help as well ...cross field mechanics should hold spot
4. Eliminate what we think might happen...know it happened
5. Prevent as much as possible...communicate to each other, to players, and to coaches
6. Hustle
7. Finish the play
8. Get numbers every foul
9. Work our Game- Not theirs
10. OSO
