Running Clock Guidelines

The running clock will begin once a team gains a 35-point differential over its opponent only in the second half. Once the running clock provision has begun, it will continue until the conclusion of the contest.

- The clock shall be stopped only for a charged time-out, an injury/blood substitution, a disqualification of a player, coach or fan, and administering free throws.
- On fouls called, leave the clock running until the official has reported the foul and signals for the clock to be stopped. The clock will only stop if the foul warrants free throws to be attempted. After reporting a shooting foul, the official will signal the timer to stop the clock.
- Once the official signals the timer to stop the clock, it will be started once a player touches the ball after the last missed attempt or on the throw-in when it is touched.
